Assignment 1: Project Proposal

Due Friday, September 18, 2026 at 11:59 PM. Worth 10 percent of the final grade.

Task

Each team submits a proposal of no more than two pages that describes the product it plans to build.

The proposal must contain a problem statement, a description of the target users, three core features and a list of risks.

Teams

Teams have three or four students. Each team must be approved by the instructor before it starts work.

Submission

Submit the proposal as a single PDF file through the course portal. Only one team member needs to submit.

Grading rubric (100 points)

- Problem statement: 25 points
- Core features: 30 points
- Risks and mitigations: 20 points
- Writing quality: 25 points

A proposal that exceeds two pages loses 5 points for each extra page.
